Institute of Computer Science Faculty of Philosophy and Science Silesian University in Opava, Opava, Czech Republic

The Institute of Computer Science of the Faculty of Philosophy and Science, Silesian University in Opava, invites applicants for a postdoctoral position in computer science. The applicant should receive his/her Ph.D. on February 1, 2010 or later, and should show strong research promise in Theoretical Computer Science, preferably in the fields oriented to theoretical research of multiagent systems (eg. Grammar Systems, Membrane Computing and related fields), but promising candidates in the other areas may also be considered. The successful candidate will be offered by a competitive salary with standard benefits (health and social insurance).

The position is to be taken up on June 1, 2013, for the duration of 24 months. A complete application must include curriculum vitae, list of publications, list of active participations at conferences including titles of contributions, a citation list, and a research statement. He/She should also arrange 2 letters of recommendation to be sent directly to the contact email. Please submit your application electronically to the address of the head of the Institute of Computer Science, Alica Kelemenova (kelemenova(at)fpf.slu.cz) no later than on April 15, 2013.

We thank all applicants in advance for their interest. Write to: kelemenova@fpf.slu.cz for questions concerning the position.

The Silesian University in Opava is an Affirmative Action/Equal Opportunity Employer. The position is offered within framework of a project co-financed by the European Social Fund.
