Descripción			
<p>Several visual enhancements have been included in MeCoSim.</p> <p>Among other changes, the user will be able to set in the config file if showing the log file in the window of the application. In addition, a new look and feel system has been included, making use of Substance 7.1 (see Insubstantial blog).</p> <p>This functionality is available in the last version of MeCoSim.</p>
